### **DETAILED ACTION**

The following is an examiner's statement of reasons for allowance:

The overall combination structure of a printing press as claimed including the first, second and third structural components each having a printing group with printing cylinders with axes of rotation, a dryer and a turning bar, and first and second folders each having a transverse cutting cylinder with axis of rotation parallel to the axes of rotation of the printing cylinders, wherein the first and second folders being aligned in a direction of first and second transverse cutting cylinder axes of rotation, and the first, second and third printing groups being aligned in a direction of the first, second and third printing cylinder axes of rotation, is not taught nor suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ren L. Yan whose telephone number is 571-272-2173. The examiner can normally be reached on 8:30am-5:00pm.
